RE: Uniform orders

TAM is offering two options for ordering uniforms.

1) The Fraylich uniform order sheet is enclosed. It should be, faxed, emailed or mailed to the Fraylich contact information on top of the page. In addition to the shirts and skirts, Fraylich will have a black cotton crew neck sweater (girls requested this) and a black velour hoodie. Both will be embroidered with a TAM logo. Anything ordered from Fraylich before Aug. 10th, will be delivered to TAM with a flat shipping rate of \$7.95, regardless of amount ordered. Anything ordered after that point, individual shipping rates will apply.

2) Skirts and shirts can be ordered from jewishschooluniforms.com. When you go to the website, you will find Torah Academy of Milwaukee listed in the 'schools' tab on the right. Individual shipping rates will apply.

Please note that the 27" length skirt is the shortest skirt that can be ordered and only by individuals who are **5'3"** and under, as they must cover knee high socks by **at least 2 inches**. If students alter any skirts, they may not be any shorter than **2 inches below the top of a knee high sock (mid-calf)**.

You are able to mix and match- choosing from either place. Some notes from our research and experience – Fraylich's skirts are of better quality, especially the poly/wool blend, yet are more expensive than Jewish School uniforms. The shirts are cheaper at Fraylich. The velour hoodies and sweaters are only available at Fraylich. We will, BE"H, order a regular hoodie at performance time. We understand that the initial financial layout is costly, but please realize that the clothes last a long time and are worn daily. Any TAM uniforms from previous years, **in good condition**, can be worn. TAM has some previously worn uniforms that parents/students are welcome to take. If you are interested, please contact Ms. Farber or Mrs. Zohn (445-0429).

If you are need of any assistance, please feel free to contact us and we will help.
