

Dear Parents, ל"א"ט

December 30, 2020

Mrs. Sora Rauch
PRINCIPAL

Mrs. Sharon Kimmel
DIRECTOR,
SECULAR STUDIES

Trudy Farber
ADMINISTRATOR

Enclosed you will find the information necessary to enroll your daughter in Torah Academy. As you may know, our school has been in existence for thirty years and has been enjoying tremendous success. We consistently take the opportunity to update our curriculum, both in the Judaic and Secular studies. Just to mention a few of these updates; we cyclically upgrade of our textbooks, offer college level courses, have incorporated electives, such as nutrition, building relationships, art, pottery, photography, etc. We are also proud of our membership in the North Central Association/AdvancedEd and have impressed the Association with the outstanding academic and professional accomplishments of our students and our alumnae.

We have tremendous feelings of hakaras hatov to Hashem to have given us the opportunity to continue our education, even in this trying COVID19 period. We have had the good fortune of being able to have most of our classes in person, as well many extra curricular activities. Though it has been different, it has been successful and wonderful. So much of that is due to the fact that HKB"H enabled us to own our very special state of the art school building. The facility which always offers our students wonderful opportunities, such as an inspiring davening room and a gym/lunchroom that is used for physical education classes, school lunches and an array of special programs, as well as play practices, has allowed us space to utilize for proper social distancing in addition to its original purposes. Natural light floods the building, even on the lower level, and the numerous amenities allow the students to strive for greater successes in their educational pursuits.

Our school enjoys a unique warmth and camaraderie between the students and their teachers. On the extra-curricular side of the school, we are constantly incorporating new and exciting ideas and changes and keep our students happy and busy. We consistently implement more activities and events and are looking forward to sharing them with you and your daughter.

Though the Board of Directors has not yet officially set tuition for the 2021-2022 school year, it presently stands at \$11,250. In addition, there is a \$175 registration fee, a \$175 book fee, a \$200 activity fee and a \$75 technology fee. The give or get fund raising responsibility has been \$2,250 per family. Those who qualify for CHOICE follow a different fee schedule. Our school offers further scholarships for non-CHOICE students, when necessary. The appropriate forms and information can be obtained through our office. For out of town students, boarding costs are additional.

Please complete and return the enclosed application by March 8th (24 Adar), as we are attempting to formalize plans and scholarship information for the coming school year. We request that you review the previous (2020-21) Handbook with your daughter, before signing the application forms, as your signatures constitute consent to school expectations. Interviews should be scheduled between Pesach and Shavuot, so that acceptance and program decisions can be made by the end of May. If you have any questions, please feel free to contact us. We'd be happy to schedule a time to meet with you.
