Enclosed you will find the information necessary to enroll your daughter in Torah Academy. As you may know, our school has been in existence for thirty- three years and has been enjoying tremendous success. We consistently update our curriculum, both in the Judaic and Secular studies. Just to mention a few of these updates; we cyclically upgrade of our textbooks, offer college level courses, have incorporated electives, such as nutrition, building relationships, art, pottery, photography, etc. Our graduates, B"H, are consistently accepted to the most sought-after seminaries. We are also proud of our accreditation with the North Central Association/Cognia and have impressed the Association with the outstanding academic and professional accomplishments of our students and our alumnae.

We have tremendous feelings of *hakaras hatov* to *Hashem* who has enabled us to own a state-of- the art school building. The facility offers our students wonderful opportunities, such as an inspiring davening room and a gym/lunchroom that is used for physical education classes, school lunches and an array of special programs, as well as play practices. Natural light floods the building and the numerous amenities allow the students to strive for greater successes in their educational pursuits.

Our school enjoys a unique warmth and camaraderie between the students and their teachers. On the extra-curricular side of the school, we are constantly incorporating new and exciting ideas and changes and keep our students happy and busy. We consistently implement more activities and events and are looking forward to sharing them with you and your daughter.

Though the Board of Directors has not yet officially set tuition for the 2024-2025 school year, it presently stands at \$11,250. In addition, there is a \$175 registration fee, a \$175 book fee, a \$200 activity fee and a \$75 technology fee. The give or get fund raising responsibility has been \$2,250 per family. Those who qualify for CHOICE follow a different fee schedule. Our school offers further scholarships for non-CHOICE students, when necessary. The appropriate forms and information can be obtained through our office. For out -of- town students, boarding costs are additional.

Please complete and return the enclosed application by March 1st (21 Adar 1), as we are attempting to formalize plans and scholarship information for the coming school year. We request that you review the previous (2023-24) Handbook with your daughter, before signing the application forms, as your signatures constitute consent to school expectations. Interviews can be scheduled throughout March and during the first 2 weeks of May, but no later than May 8th , so that acceptance and program decisions can be made during May. If you have any questions, please feel free to contact us. **We'd be happy to schedule a time to meet with you.**
